

KURSEONG COLLEGE
KURSEONG

WALK-IN INTERVIEW

A walk-in interview will be held on 28/03/2025 at Kurseong College for the recruitment of one Project Fellow/ Junior Research Fellow for DST-ANRF sponsored research project in Condensed Matter Physics entitled “**Enhanced Thermoelectric Performance of Kesterite $\text{Cu}_2(\text{Zn,Fe})\text{SnX}_4$: Insights from First-Principles Calculations**”.

Essential Qualification:

Project Fellow: M.Sc. in Physics/Chemistry

Junior Research Fellow: M.Sc. in Physics/Chemistry with NET/GATE as per DST-ANRF guideline.

Fellowship: @Rs. 37000/- +HRA per month for NET/GATE candidates, for non-NET candidates as per the directive of DST, India.

The duration of the project is 3 years and the position is purely temporary and co-terminus with the completion of the project. Interested candidates may submit their application with complete CV to the undersigned within 25th March 2025. A copy of complete CV along with self-attested and original copies of all the relevant documents should be submitted at the time of interview. No TA/DA will be paid for appearing interview.

The project fellow/JRF will be encouraged to enroll for Ph.D.

Principal Investigator (PI)

Dr. Amit Shankar
